## COMPETITIVE GYMNASTICS

Our award-winning competitive teams compete in USA Gymnastics' levels 3-10 and Xcel programs, producing numerous state and regional champions each season! Grouped by age and level, our teams ensure each gymnast has a place where she can be challenged while happily and safely reaching her potential. Our pre-team program prepares young gymnasts for the competitive track by working proper form and techniques from USAG's level 1 and 2 curriculums. All of these gymnasts perform in various exhibitions in the community.

## CLINICS

Skill-specific clinics are great for anyone trying to develop basic to advanced gymnastics skills. Offered throughout the year, clinics might focus on preschool skills, cartwheels, back handsprings, and more! Expect one to two hours of drills and repetitions to accelerate the learning time of the advertised skill.

## PRIVATE LESSONS

Private lessons offer a great opportunity for athletes that want individualized instruction in gymnastics, cheerleading, dance, martial arts, or strength and conditioning.

These lessons can be scheduled with the coach of your choice, at a time that works best for you, and to perfect that specific skill or routine.

## TUMBLING GROUPS

Tumbling for groups provides a great opportunity for your cheer squad, dance troupe, diving team, or other group to improve your skills in our outstanding facility.

Work on tumbling skills from cartwheels and back handsprings to back tucks and twisting. Our coaches are certified in spotting and techniques to ensure productive and safe progressions toward any athletic goals.

## Healthy Homeschoolers

Our twelve week program is a hit with area home schoolers! This class develops all components of physical fitness and cardiovascular endurance. Participants learn the fundamentals of gymnastics and exercise through games and basic gymnastics instruction.

## BIRTHDAY PARTIES

Our coaches and party hosts specialize in fun! Party-goers flip over our exciting parties: tumbling through obstacle course, balancing on beam, bouncing on tumble-trak, sliding down the giant inflatable slide, or frolicking with Queen Elsa, Princess Belle, or Captain Doodlebottom!

Parents flip over our parties too: our gold, silver and bronze packages meet the needs of every child and every budget!

## FIELD TRIPS

With a blend of fitness, flips, and fun, our field trips are a great option for your school, daycare, scout troop, moms' group, or any organization! Field trips can be customized to meet your specific needs allowing kids to appreciate fitness and gain confidence, while experiencing the world of gymnastics!

## Camps

We offer the best themed summer camps in the NRV! Our camps include hours of gymnastics, themed games, fun crafts, and visits from special guests. Each camper will take away a re-energized imagination, exciting memories, and a sense of pride after performing for family and friends!
